

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Acting Comptroller

DATE: 6 November 1956

FROM : Chief, Finance Division

SUBJECT: Work Measurement System

REF : Memo to Comptroller from Chief, Management Staff, dated 30 October 1956, Subject: Review of Work Measurement System

1. In accordance with our discussion and recommendation contained in reference, the Work Measurement Report prepared by the Operations and Liaison Branch has been discontinued.

2. It is our view that continuance of the report by the other Branches of Finance Division, also, is not justified by the results obtained and manpower required to produce the report. It is, therefore, recommended that the Management Staff be requested to review the Work Measurement system in the Accounts, Industrial Contract Audit, and Payroll and Travel Branches for the purpose of evaluating the appropriateness and effectiveness of the system and furnishing recommendations as to its continuance.
